

# IVI 20<sup>th</sup> Anniversary

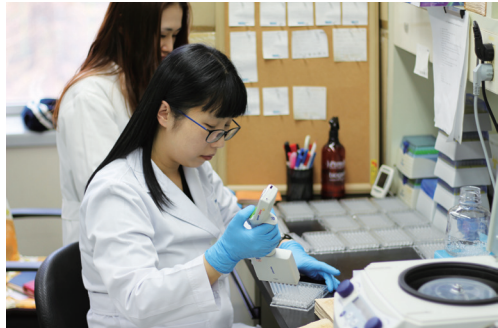

## Seoul Cyber University-IVI

### Global Vaccine Forum

Time	9.30 am~17.00 pm, Wednesday, November 15, 2017
Venue	The Plaza Hotel, Seoul

On the occasion of its 20th anniversary, the International Vaccine Institute (IVI) aims to highlight partnership in global health by providing participants with a comprehensive overview of past, present and future challenges, development and direction in global health partnerships. Join us in commemorating IVI's 20 years of achievements and impact in vaccine science and global public health and presenting the direction for its future, as the Institute is moving to the next phase of development.
