

Quality Hour – Oct Edition (Live Webcast)

The September edition of our monthly webinar series will be held on 27th Oct 2021. This live session will give you an update of USP Reference Standards as well as USP initiatives and activities in Asia Pacific. This month we will also discuss about “Current Activities of the USP Microbiology Expert Committee” :

For this month’s session you will be able to:

- Participate in the USP standards setting process
- Current USP Activities in the areas of Rapid Microbiological Methods
- Future Activities of the USP Microbiology Expert Committee
- Receive updates on the USP-NF, Reference Standards and other USP resources
- Identify USP staff and activities in Asia Pacific
